Note: Section 101 of the U.S. Bankruptcy Code defines consumer (nonbusiness) debt as that incurred by an individual primarily for a personal, family, or household purpose. If the debtor is a corporation or partnership, or if debt related to operation of a business predominates, the nature of the debt is business. Data are for cases filed on or after October 17, 2006, and closed during the reporting period. The total cases closed column includes cases with dispositions other than standard discharge or dismissal, which are separately itemized above.

<sup>1</sup> Total cases closed includes all chapter 13 individual debtor cases with predominantly nonbusiness debts closed during the reporting period, regardless of whether such cases were closed due to plan completion or dismissal.

<sup>2</sup> Modifications may be made to a plan after initial plan confirmation. Such modifications typically involve significant changes in the terms of the plan.

<sup>3</sup> Cases refiled after dismissal are defined as those chapter 13 cases filed during the reporting period in which the debtor(s) was/were also debtor(s) in a chapter 13 case dismissed within six months of the filing date of the current case.
