Note: Section 101 of the U.S. Bankruptcy Code defines consumer (nonbusiness) debt as that incurred by an individual primarily for a personal, family, or household purpose. If the debtor is a corporation or partnership, or if debt related to operation of a business predominates, the nature of the debt is business.

¹ Prior filing status indicates whether the debtor reported filing another bankruptcy case under any chapter during the eight-year period preceding the current filing.

² Excludes reopenings. Cases transferred interdistrict are counted only for the originating district.
